To
the high bailiff and
Finance Office of Durlach

The officials have examined the evidence regarding old and young Johann Meintzer, young Michael Weber of Hagsfeld, who are responsible citizens, since their limited citizenship has been revoked, now we most humbly beg that since they have already paid their tax, (death tax, or inheritance tax) and assuming that their application papers are in order, that they be graciously granted permission to emigrate as they intend, and that no further objection can be laid before them, and that we are giving this directive to the Finance Office of Durlach.
